Dear Marshall,

Congratulations on Georgia Roofing and Metal's 50<sup>th</sup> Anniversary. It is quite an accomplishment for you and Don to be able to maintain a prosperous, and well thought of business for 50 years. Certainly you should be proud of your obvious ability to continue successful roofing business for such a long period of time. Keeping your reputation untarnished through many economic upswings and down swings is quite admirable.

We are sure you will maintain an excellent and well run organization for another fifty years. Our best wishes for continued success and thanks for being such a great customer!

Sincerely,

William H. Brown
